\*\*ALL NY State licensed social workers, mental health counselors, marriage & family therapists and psychoanalysts are required to obtain **36 Continuing Education credits** to renew their license every three years. 24 of those credits *must* be obtained through *live-in-person* training. There is no restriction as to how many credits can be earned from a single approved provider or within a single year. For individuals with more than one license, you can obtain CEs for each discipline in our seminars (a nominal administrative fee is applied for additional certificates). For more information about CEs go to the New York State Office of the Profession's website: [www.op.nysed.gov/prof](http://www.op.nysed.gov/prof)
